

# YEAR 6 TERMLY NEWSLETTER: SPRING TERM 2019

## WELCOME BACK YEAR 6!

It is great to see that all the children have settled back into their class routines and are enjoying learning. We hope that your child is looking forward to a rewarding and successful term. Year 6 is full of exciting learning opportunities, themes and trips! We would like to share with you some information about what your child will be learning over the Spring Term, as well as offering you opportunities to support your child's understanding of subjects studied. This newsletter will also help you to plan ahead by giving you key dates before they are printed in the Purple Post, such as class assemblies and trips.

<b>HIGH EXPECTATIONS</b>	<p>We expect a <b>high standard of behaviour from all children</b> which is monitored by all staff in the academy. The Behaviour Policy (which can be found on our website) explains the academy rules, rewards and sanctions in detail.</p> <p>Every week we have a celebration assembly where achievements are shared and certificates are awarded (including Star of the Week and House Points certificates).</p> <p>Unacceptable behaviour, both in and out of the classroom, will be dealt with firmly but fairly according to the academy's Behaviour Policy. You will be informed of any major incidences, or if your child's behaviour results in two or more detentions within a period of two weeks.</p>	<b>UNIFORM</b>	<p><b>Uniform is the same for Years 4-6.</b> All pupils must wear correct uniform, including acceptable footwear. A letter will be sent home with pupils who have missing or incorrect uniform.</p> <p>Please refer to the Uniform Policy on our website for further information, including PE kit. If you require academy uniform, all items can be purchased from the academy office.</p>	<b>START</b>	<p><b>This term we are having a focus on Maths Problem of the Day during SODA time.</b> (8.45-9.00am)</p> <p>During this time your child will have the opportunity to practise and improve their mathematical problem solving skills.</p> 
				<b>ARRIVE ON TIME</b>	<p>For the first 15 minutes of every day (after registration) the focus will be handwriting exercises and skills. If your child arrives late they will miss this vital part of the school day. Therefore, it is important that your child arrives on time (<b>by 8:55am</b>) every day.</p> 

<b>YEAR 6</b>	<p><b>English</b> This term we will be reading the novel StormBreaker by Anthony Horowitz. We will use the book as a stimulus for various pieces of formal writing, including: a persuasive letter, an explanation and a newspaper report. We will also focus on precision and accuracy in spelling, punctuation and grammar.</p> <p>In Reading this term, we will be developing our inference and deduction skills using a variety of short texts.</p> <p><b>Mathematics</b> We will be focusing on shape, space and measure alongside arithmetic and problem solving. We will revisit all the topics covered so far this year as part of our revision programme.</p> <p><b>Theme</b> In the first part of the Spring Term our theme is 'Trash'. This topic focuses on recycling. We will also be learning about electricity and light in Science. In the second half of the Spring Term, our theme will be 'Super Humans' where we focus on the parts of the Human Body, including the circulatory system and the digestive system.</p> <p><b>KS2 SATs Revision Programme</b> In a few weeks, we will be starting the KS2 SATs Revision programme. The daily lessons will be structured differently to include opportunities to practise test questions and techniques. There will be a parent meeting in February to discuss the KS2 SATs with you in more detail.</p>		<b>PHYSICAL EDUCATION</b>	<p><b>Our PE days this term are Thursday (outdoor) and Friday (indoor).</b> PE is part of our academy curriculum and <b>we expect all children to bring a full PE kit to school</b> so that they can take part in their indoor and outdoor PE sessions. PE kit can be left on your child's peg in their classroom.</p> <p><b>All jewellery must be removed.</b> Earrings need to be removed on the day of PE or the child must be able to remove these themselves before the lesson.</p> <p>Please make sure your child has a warm hoody/top for outdoor PE, especially when the weather gets a little bit colder.</p>	<b>QUEENSMOOR QUESTS</b>	<p><b>Queensmead Quests</b> will continue to be given out once per half term with your child's homework book. The aim is to provide a range of challenges for your child to choose from. We would be grateful if you can support and encourage them. If your child experiences any difficulties with the homework, we encourage them to come and see their class teacher for more support.</p> <p>Your child will receive a pink homework book to complete the activities in or they can add photographs or pictures to this book to show us their amazing work from home!</p>
	<b>READING</b>	<p>In year 6 we expect children to be <b>reading for at least 30 minutes daily</b>. It would be really beneficial if you could listen to your child read and discuss their book regularly to support their understanding.</p> <p>Your child's books will be changed once they have read them. Please record any reading your child does in your child's reading diary. This can be books from home too or magazines etc.</p>	<b>TRIPS</b>	<p>WW1 day at Newark Houses on Thursday 31<sup>st</sup> January.</p> <p>Spy Missions – Nottingham on Tuesday 5<sup>th</sup> March</p> 		
<p><b>DATES FOR YOUR DIARY</b> 18<sup>th</sup> February - Half term 25<sup>th</sup> February - Return to school 26<sup>th</sup> February – Parents KS2 SATs meeting at 2:50pm 5<sup>th</sup> March – Spy Missions – Nottingham 27<sup>th</sup> and 28<sup>th</sup> March – Parents' Evening</p>			<p><b>If you have any problem or concern – who do you ask?</b></p> <ul style="list-style-type: none"> <li>• Class Teachers – Mrs Catlow, Mrs Bentley and Mrs Cory</li> <li>• Deputy Principals- Mrs Bentley &amp; Mrs Catlow</li> <li>• Principal – Mrs Latham</li> </ul> <p>Thanks on behalf of the Year 6 team.</p>
