Missing punctuation

Read part of the story below.

There are **6 missing CAPITAL LETTERS** **4 missing full stops** and **1 missing comma**.

Can you add them to the story?

then captain chips told the children *his* story how the pirates used to help the villagers how they lived in the caves in the cliffs and how the purple shell was used by the villagers when they needed any help rubbing the purple shell sent a musical note (which only the pirates could hear) high into the cliffs and the caves but the shell would only be used if there was a ship stuck on the sandbank and the villagers needed help

What were the children thinking when Captain Chips told them his story?
