2nd June 2020

Dear Parents and Carers,

I hope that you and your families are well and are staying safe in these very difficult times.

You will be aware that there is a lot of national debate about the Government's decision to begin to have more children in schools from this week. I would like you to know that there is nothing we want more than our children to be back with us in our Academy.

This week, classrooms are being adapted and prepared, staff are being trained in the new Operating Procedures and risk assessments are being completed. The safety of our children, their families and our staff is our number one priority and we have been working very hard to consider how to do this appropriately. All of the arrangements made are in line with Government guidance and the Trust's Health and Safety Directorate.

I would now like to give you more details of how we will begin to accept more pupils from 8th June. In order to maintain safe operating procedures we will only be opening on June 8th to a single year group. **This will be Year 6.** Please be aware that until we are more certain of numbers of pupils, we are unable to consider accepting further year groups for the time being. As and when this changes, I will write to you again with updated information.

We will, of course, continue to provide emergency childcare for key workers and our most vulnerable children throughout this time.

Year 6 parents/carers,

To enable us to ensure provision is effective, we need to know the numbers of pupils who will be attending. Please check the email that will follow this letter with more detailed information that will support your decision. It will also give you the information about how and when to contact the Academy to confirm attendance/non-attendance.

Take care and stay safe

Kind regards

Mrs L Latham
Principal

Part of the Greenwood Academies Trust group of Academies
