Parents and carers

The staff in the F1 and F2 miss seeing and talking to the children. Do you have a Twitter account? If not would you be able to open a Twitter account? This would be a great way for the children to keep in touch with their school grown-ups and for them to showcase what they have been doing during the school closure.

Just tag **@QueensmeadGDFT** on anything the children want to show their school grown-ups. This could be showing us their amazing rainbows, their Pop or Pup or Hop writing, a new song or dance they have learnt, or just a message saying hello to their friends. It would be great for you to get involved! We look forward to seeing your tweets!

Thank you for all your support during these difficult times. We hope you are all well and staying safe!
